

Go wherever you want with the friendliest ride in town.

With our EZride transportation service, you can safely and affordably go wherever you want, whether to the grocery store, the doctor, or a friend's house. Our friendly drivers take care of any special needs, including helping you to and from the car and carrying your items. And you'll enjoy the ride for a price less than typical cab service. Tipping is not allowed.

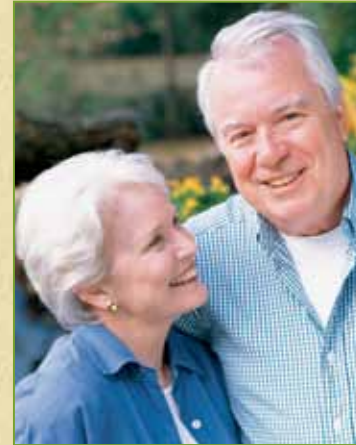

EZride is offered in Pinellas County for individuals 65 and older, or disabled individuals 55 and older. Since the service is especially helpful for getting seniors to doctor appointments, we offer additional destinations outside of Pinellas County, such as the H. Lee Moffitt Cancer Center and the University of South Florida Medical Clinics.

To schedule your next trip or for more information, call 727-571-4384 or toll-free 1-888-743-3709.

Got a driving ambition to help seniors in our community?

Becoming a volunteer driver for the EZride program is very rewarding in many ways. You're not only giving back to your community, you're also helping your neighbors maintain an active lifestyle. Plus, with each trip you drive, you'll receive credits that can be applied to future EZride member trips. You may share these credits with a friend or loved one who is a program member, or bank them for your own future use.
