

## How you can help seniors in our community.

Thousands of dedicated volunteers are vital to our programs, offering significant hours of service that are truly the lifeblood of our organization. While seniors delight in our volunteers' friendship and goodwill, our volunteers rejoice in the immeasurable rewards they discover in the caring and sharing of the Neighborly volunteer experience.

To volunteer your time and talents, call 727-573-9444.

When you make a financial contribution to Neighborly Care Network, you're helping us to continue to provide the valuable services that so many seniors have come to rely on. In addition, all financial contributions are tax deductible. We're also here to help you with the planning of wills, estates and other charitable gift options.

Make a difference today. Call 727-573-9444.

# Quality of senior life in every way.

A nonprofit organization serving Florida's seniors since 1966

## A helping hand for seniors and caregivers.

Neighborly Care Network provides social, health, pharmaceutical, nutrition, transportation, and other vital services that enable older adults to live more independently in their community.

We understand the responsibility caregivers have to their older adult family members. And our staff is committed to providing our clients and their families with the highest quality services. As a caregiver, you will be comfortable knowing that you and your loved one have the helping hand of Neighborly Care Network.

## Adult Day Services

One of the greatest benefits of our comprehensive Adult Day Services program is that it helps seniors continue to live at home, instead of being placed in an assisted living facility or nursing home. When a loved one attends an Adult Day Center during the day, the caregiver can remain employed or have much needed respite.

Participants enjoy the physical and emotional benefits of:

- Full Assessment and Customized Care Plan
- Health Monitoring
- Therapeutic Activities: Arts, Crafts and Games
- Medication Management
- Reminiscence Groups
- Breakfast, Lunch and Snacks
- Current Event Discussion Groups
- Exercise Groups
- Guest Speakers
- Personal Care Assistance
- Transportation

Our professional staff members have been screened by state regulatory and licensing agencies. All Adult Day Centers are licensed by the Agency for Health Care Administration. Neighborly is a member of the Florida Adult Day Services Association.

**For Adult Day Center locations and more information, call 727-573-9444.**

## Transportation Services & EZride<sup>sm</sup> Program

We go the extra mile for seniors. Why? Because having safe and reliable transportation is essential to quality of life. We provide convenient transportation service to doctor visits, adult day centers, senior dining sites, social events, special services, and anything in between. Our drivers receive extensive training to ensure they are competent and capable of handling passengers with special needs, such as those who are visually or hearing impaired, or those who use canes, walkers or wheelchairs. Drivers are also trained in basic CPR in case of emergency. If you know a senior who needs a little help getting from here to there, give us a call today.

**For eligibility requirements and more information, call 727-571-4384.**

## Nutrition Services

Proper nutrition is essential to senior health and independence, and it's been part of our mission since 1968, when we started the first federally funded Meals on Wheels program in the nation. Today, we continue to offer innovative nutrition services, including several Senior Dining sites throughout Pinellas County. Both Meals on Wheels and Senior Dining provide complete hot meals approved by a licensed dietitian that are suitable for those with high blood pressure and heart disease. Both programs provide nourishment not only for the body, but also for the soul, as they allow seniors to interact with others.

**For more information on these and other nutrition services, call 727-573-7773.**

## Neighborly Pharmacy

The Neighborly Pharmacy is a nonprofit pharmacy that provides services for low income, uninsured senior citizens in Pinellas County. We also accept most Medicare Part D plans. Our mission is to help you save money, and our prices are highly competitive compared to chain pharmacies. Our staff offers personalized assistance with all aspects of medication management, from understanding why drugs are taken, to resolving any financial or insurance issues. We also offer next-day delivery at a minimal fee for our customers in Pinellas County.

**For more information, call 727-892-5781.**
