HOME HEALTH SERVICES

Somebody Still Makes House Calls

medicare *home health services*

HEALTH, WELLNESS AND INDEPENDENT LIVING

Neighborly Care Network offers personal, individualized Medicare Home Health services in the privacy and comfort of a client's home.

The Neighborly Home Health Care team includes:

- *Skilled Nurses*
- *Physical Therapists*
- *Occupational Therapists*
- *Speech Therapists*
- *Medical Social Workers*
- *Home Health Aides*

All of our services are offered 24 hours a day, 7 days a week, in the privacy and comfort of the client's own home, coordinated and supervised by a registered nurse.

Services are provided based on a physician's order and the need for skilled services on an intermittent basis.

*For more information, call the
Neighborly Care Network
Home Health Care Direct Medicare Line at
727-939-8886 (toll-free 877-939-8886)
or send a fax to 727-939-8373.*

our services

- *Skilled Nursing*
Development and implementation of a care plan under the supervision of a licensed physician
- *Physical Therapy*
Assistance with muscle, nerve, joint, and functional disabilities
- *Speech Therapy*
Help with speech, hearing, and language disorders
- *Occupational Therapy*
Evaluation of functioning level by applying diagnostic and prognostic procedures
- *Medical Social Work*
Assistance with long-term care planning and community resources
- *Home Health Aides*
Assistance with bathing, dressing, and personal hygiene

I want to thank you for helping us when we needed it. My husband and I were ill, and we couldn't help ourselves. When we heard of you, it was a blessing. I am better and can again cope.
