### **Neighborly Care Network Honors Volunteers**

On Tuesday, September 12, 2006, Neighborly Care Network will honor its dedicated volunteers at a special Volunteer Recognition event. Neighborly volunteers reach out every day to those in need, touching the lives of so many in a variety of ways.

The Volunteer Recognition event will be held at the Kapok Special Events Center in Clearwater and will include prizes, awards, and entertainment. Food for the event is being donated by G.A. Food Service. Other sponsors include WellCare, Aegon, Hill Law Group, and Professional Health Care of Pinellas.

Neighborly Care Network volunteers give their time, talent, and compassion to help seniors grow old with dignity and independence. A nutritious meal delivered with a friendly smile ... a call to a lonely, homebound senior ... a trip to the grocery store for those who cannot make the trip themselves. Volunteers do more than just offer their time. What may seem like a simple gesture of kindness is often a blessing for those who are less fortunate. By just listening to a story with renewed interest, a volunteer can lift a lonely senior's spirits immeasurably.

As Neighborly celebrates its 40<sup>th</sup> year of service, the impact on our community can be seen countywide. "Thanks to our dedicated volunteers for helping us to serve those in need for the past 40 years," stated Debra Shade, Neighborly president/CEO. "We simply could not continue our mission of health, wellness and independent living without your help."

For more information on the services Neighborly offers or to volunteer your time, call 727-573-9444, ext. 291.
